

2021 at the Library

While we entered 2021 in a lockdown, we did not let that stop us from serving our community. SCPL kept its doors open with curbside services and successfully offered hundreds of virtual programs for all ages to keep our customers connected to the community. In 2021, we added exciting new items to our collections, including telescopes, sports equipment and crafting tools, always free for our customers to borrow.

Behind the scenes, SCPL was hard at work restructuring our library to fully prioritize customer service. We also started the exciting process of developing this new brand you see today. This groundwork has set SCPL up for success in 2022 and for years to come.

Message from the Chair and CEO

Library of things. Book bundles. NewsBank database. Fine-free initiative for seniors, teens and children. New Central elevator. All of these fabulous St. Catharines Public Library projects launched in 2021. Despite it being a year of continued restrictions and uncertainty, your library was dedicated to improving spaces, collections, programs and services for the people of St. Catharines.

And we're not stopping! Last year we began work on more innovative ways to serve you in 2022 and beyond, including our mobile library and a renovation of the downtown branch.

We, the Library Staff and Board, can't do this alone. We are grateful for the support of the City of St. Catharines, the Ontario Provincial Government, the Ontario Library Service, our many volunteers and donors, and you, the public we serve every day. Thank you.
